Hell's Bells!

Are you sure you don't want some of the tea YOU prepared?

And if you EVER play that horn again...!!

Heave-Ho! Oscar's helping two helpless females launch their canoe while our class sponsors observe.

Carolyn and Sheila, will you PLEASE turn your canoe around and go frontwards for a change?

The idea, Norm and Claude, is to keep the canoe in the water, not the water in the canoe.

After 2 1/2 hours, we finally get to our luncheon site. The short rest was appreciated by all.

It was a cold hungry group that gathered at noon for lunch.

You don't mean to say we're lost?

But John, we've gotten off the beaten track!

Seven hours after we started (an eternity), our trip ended here with many tired and wet kids.

This is one way to end a canoe trip.

A real nice class trip was had by the seniors this year. The class voted to go on a canoe trip on the AuSable River. We rented canoes from the Campbell Canoe Livery at Grayling and paddled 27 miles down the river ending at the McMaster's Bridge. Going down the river many people got wet by canoes being tipped, by passing canoes, and by good ole water fights. A paddle was broken and one lost, but it was later recovered under a dock.

Canoes began arriving at the McMaster's Bridge at 2:30 and the last one pulled in about 4:00. Everyone was tired and sunburned, but happy. From the bridge we traveled by buses to Bay City and ate supper. Some stayed and shopped while others came home with the shoppers following later.

JUNIOR CLASS

Our Junior year was one of success. We placed second with our Homecoming Float---"Conquer 'Em."

With hard work done by everyone, the Junior play, "The Whole Truth," was presented. It proved to be very successful.

The class trip consisted of a tour of the House of Correction. Since there were two movies that the class wanted to see, we divided into groups. One group saw The Battle of the Buldge, and the other saw Sound of Music.

Working together, the Seniors and Juniors put on the Junior-Senior Prom. The theme was "Through the Looking Glass." The evening was enjoyed by all who attended.

As Juniors, we sponsored a dinner for the Seniors. The speaker was Mr. Ray Clendenan.

Ending our Junior year, we had elections, Those holding office for next year are: Pres. -Dave Stieler; Vice-Pres.-Katie Draher; Secretary-Janet Jickling; Treasurer-Lois Johnson; Student Council Rep.-Doug Drew; Student Council Alt.-Karl Thom.

FRESHMAN

The Freshman class started out the year by concentrating on a theme for their Homecoming Float. They decided on "Two On A Guillatine."

During the basketball season the ninth grade sponsored an after-game dance featuring "The Warlocks."

For their class trip, the freshman ventured up to Ferris College for the day. They spent the day touring the campus.

The class finished up the year by electing officers for next year. They are as follows:

Pres.-Bryce Hager
Vice-Pres.-Connie Burke
Secretary-Denny Muxlow
Treasurer-Diane Kitchen
Student Council-Ray Winfield
Student Council Alt.-Dave Kraft

THE SCRIBE STAFF

The Scribe Staff worked under many adversities this year. We did not know where we would be working on the scribe from one week to another, we did not know who was on the staff nor did we know who our photographer would be, or whether we would even receive our pictures. Had it not been for the loyal support of a few staff members, working many nights into the summer, you would not be reading this now.

STUDENT COUNCIL

The 1965-66 Student Council began its year with the 1965 Homecoming. This event, which was highlighted by the crowning of Cheryl Muxlow and Dennis Barnes as King and Queen, consisted of a parade, a football game against Bad Axe, and the dance after the game. Probably a big event of the evening, also, was the lighting of the fireworks on the goal post, which said, "Homecoming '65", with the field completely dark.

The Student Council also sponsored many other activities throughout the year. Among them was the Magazine sales which was very successful. The Student Council was very active in the Thumb B Student Council whose president was Mickey Plummer. At this council our school was voted the "best sportsmanship" in the Thumb B league. A trophy was received for this. In the Spring, elections were held. Katie Draher from Marlette was elected parliamentarian.

One of our last activities of the year was to appropriate money to help pay for new stage curtains. This was set aside to be carried and acted upon in the fall of 1966. For the closing of a very active year, the Student Council members and their guests enjoyed a day at Caseville, filled with swimming, food, and sun.

Student Council Officers, Dennis Cargill, Sue Chard, and Oscar Chappel received the Thumb-B Student Council Sportsmanship Trophy for the school.

The 1965 Homecoming Dance, sponsored by the Student Council was well attended.

Our 1965 Homecoming was a real success. The activities began about two weeks before the big day when the candidates for queen were elected. The excitement continued to mount right up to the final day. The festivities began with the parade. There was a big crowd on hand to watch the candidates for queen and her court ride through along with the floats and the band. The parade went down main street and around ending up at the football field. During half time the floats were paraded around the field and the candidates for queen and the court were brought onto the field. At this time Queen Cheryl was crowned. Our Homecoming King, Dennis Barnes, was not able to be crowned because of an injury acquired during the game. After the game the Homecoming dance was enjoyed by all.

This looks like it belongs in a Holloween parade.

MATH AND SCIENCE CLUB

During the year, the Math and Science Club sponsored its annual Science Fair. The Fair proved to be a great success. Winners of the local fair went to Regionals at Caseville.

Another highlight of the year was the Christmas Potluck Dinner. Members enjoyed a delicious dinner.

Lectures were given by Dr. Adams, who talked about Genetics, and Dr. Scott who explained Biochemistry to the students.

In the fall, a group of students went on a trip to the Flint Planetarium.

I should know where these books go.

This has been a busy year for the student librarians. Our most thrilling but laborious project was moving the library materials from the old to the new building, but the fine new facilities were well worth the effort. The club sponsored a dance, the proceeds from which were used to finance our annual project of sending a delegate to the Student Librarian Assistants Workshop at Western Michigan University. Deanna Redmond was our delegate this year. The club also attended the Thumb Regional meeting of the Student Librarian Assistants of Michigan which was held at the St. Clair High School, and the Michigan Association of Student Librarians meeting at the University of Michigan. A cooperative trip with the Future Teachers of America to visit the book fair at Wayne State University and to see "The Sound of Music" completed our list of activities for the year.

...into the new library.

FORENSICS

Row 1: Cindy Cilk, Joanne Cripps, Sally Chisholm, Mr. Dickinson Row 2: Paul Redmond, Wade Seley, Dennis Armstrong, Duane Marsh, Dave Stieler

John Roeser wrote a speech on "What The U. N. Means to Me." With this speech he won our local contest sponsored by the oddfellows Organization and went on to the district contest where he also won first. This accomplishment won him a trip to New York and a visit to the U. N. building.

The forensic group had a very successful year. At the district meet, we took 4 firsts and 1 second in the 5 categories entered. The first places that were taken were: Melanie Huntoon in Oratory, Wade Seley in Extemporaneous, Joanne Cripps in Serious Interpretative Reading, and Dennis Armstrong in Radio Commentary. Sally Chisholm took second place in Radio Commentary.

In the regional meet against 30 other schools Melanie Huntoon, Dennis Armstrong, Sally Chisholm and Joanne Cripps got into the semi-finals with Joanne Cripps going on to place 1st in her category.

Our outstanding Forensic student, Joanne Cripps, went to the state forensic contest and got through 3 eliminations which placed her in the top 10 interpretative readers in the state.

These pep meetings are a lot of fun!

Where's everyone going?

To boost the morale of the student body, the Pep Club put on several skits at assemblies. Posters were made throughout the year. An after-game dance was sponsored. Ideas for a more active and effective Pep Club were discussed at our meetings. Officers for next year are: Pres.-Bonnie Keys, Vice-Pres.-Sparky Larson, Secretary-Pam Wilson, Treasurer-Jim Lamie.

FOOTBALL

Although we put forth a very good effort, it was not good enough. Our record was 2 won, 1 tied, and 5 lost which is an improvement over last year.

Many of the players were greatly improved due to the result of hard work and much practice.

We are looking forward to a better season next year.

Gary Trybus placing third at the league meet

Our track team was quite successful this season dispite the fact that we lost fifteen lettermen from last years team. Although we didn't win any big meets, we did win some events. At the Marysville Relays, we won the middle Distance Relay, took a fifth in the Sprint Medley and Dave Jezierski took a fifth in the mile. At the Central Michigan Relays, the largest high school relay meet in the world, we again took a first in the middle Distance Relay. In the league meet, we finished fourth and had a first in the mile relay and Les Dale earned a first in the half mile.

Dave Jezierski placed third in the mile run.

BOYS' ENSEMBLE

The Marlette High School Choir had a very successful year. Our first main event was our Christmas Concert. The band and choir showed their ability to put on an extremely high quality concert.

Next, out choir sang at district festival in Bay City. At this event the adjudicators rated our choir a one in sight reading, 2 two's and a one on the songs performed. When averaged, this amounted to a very high Two rating. A one rating is superior, a two rating is excellent.

At our Springtime Serenade we were fortunate enough to be able to use the new gym. This was a thrill for the performers as well as the audience.

The choir topped this eventful year by making a record consisting of songs from this year and last year combined. The album is called "Marlette Sings."

BAND

This was an especially memorable year for us because of our moving into our beautiful music room in March, having rehearsed most of the year in the new Ag. room.

We started our year with four football half-time shows and the Homecoming Parade.

We also took part in the Band Day at M.S.U. (our second year), the County Band Festival at Sandusky and the District Band Festival at Carrolton.

Individual members took part in the District Band Clinic, District Solo-and-Ensemble Festival.

We had our annual Christmas Concert combined with the Choir, the Christmas Parade, and we marched for Mayor Exchange Day.

Our Spring Concert was presented in the new gymnasium-- the first public performance in the new gym.

We finished our year with the Music Awards Banquet followed by the Memorial Day Parade and our performance at Commencement.

For a relaxing activity, we enjoyed a day of music and fun at Bob-Lo Island near Detroit.

Some newborn chicks!!

Mrs. Davis' class had an exciting project this year. She had found two incubators used to hatch out chickies, and brought them to school. The children each brought an egg to class.

After placing them in the incubator, they began to wait. They waited and waited and waited somemore, finally when they arrived one morning, they found some little chickies in the incubators, soon most of the eggs had hatched into little chickies just in time for Easter.

During the latter part of the year the Elementary students from Clifford were forced to attend Marlette school system when the heating unit in their building failed. They occupied the top floor of the Old Building, utilizing the old Library and classrooms there.

You notice that there are no pictures of the Clifford teachers. The problem here lay in the fact that our student photographer had no means of transportation to and from Clifford.
